

Gasco Hammers Two Pitchers in Racking Up 6-2 Win

CHRISTIAN NINE OUT OF SERIES AS 2ND DEFEAT IS RECORDED

Richards Clubs Three Hits for Winners in Four Trips to Plate.

BY BOB MURPHY
Sports Editor, The Star

Crumbling out 12 hits, not a single one of them of the scratch variety, off the offerings of two Central Christian pitchers, the Gasco club racked up a 6-2 victory over the Christians and eliminated the latter team from the Little World series yesterday afternoon. It was the second straight series loss for the church combine, the K. of C. having defeated them 9-2 in another game previously.

Eddie Maule did the winning pitching as the Gasco turned in a victory. He was given some brilliant support by his mates and at times needed it to keep the Christians from striking a rally. Eddie was with all the way, handing out four free tickets. However, he kept himself out of danger most of the time by striking out five batters and being decidedly stingy with his hits. The Christians were able to get only five safeties off his offerings.

Schneider and Amick were the victims of the Gasco assault. Schneider started the game and went through two innings without allowing so much as a single hit. However, the pent up fury of the Gasco bats was released in the third frame and five hits, good for a pair of rallies, rattled off the Industrial league team's bats. Schneider weathered this inning and started the next but a continuation of the savage Gasco battering drove him to cover before the inning was over. Amick replaced him and was hit almost as hard as Schneider.

Shortly Richards gets credit for the fielding gem of the game. The Gasco left fielder raced into the field once to pull down a long hard fly with a one handed catch. Richards also had the batons, driving out three hits in four innings, one good for three bases.

14 SIMON PURES IN SEMI-FINAL BOUTS

Wild Swinging Marks Battles in North Central Ohio Fight Tournament.

Climaxed by the last fight of the program in which Lewis Mayer and Harold Burnside, both of Marietta, put on a great exhibition of wild swinging, the semi-final bouts of the North Central Ohio amateur boxing tournament were run off last night in the outdoor arena at the Shovel athletic field. An average sized crowd witnessed the battles.

There was plenty of hefty fist swinging as 14 Simon pure mitt swingers collided in eight battles to see which of them would have the right to compete next Thursday night in the championship battles. Two of the 14 boys were forced by the draw to fight twice last night. There were two knockouts recorded in the fights, both technical ones. Thomas Klee of Delaware gave up the fight with Tuffy Pope of Bucyrus before the end of the first round and Johnny Gray of Bucyrus quit his battle in the second after twisting his ankle.

Heavyweight Winner
Marty Blue, 152, and Johnny Hostetter, 117, both of Marion, clashed in the opening battle with the decision going to Hostetter in three rounds. Hostetter's longer reach gave him an advantage which Blue could not overcome and he jabbed his way to a decisive win.

Skinny Anderson of Marion, 123, was pounded around for three rounds by Johnny Merkel of Mansfield, 123, and the decision went to Merkel. Anderson made some nice rallies at times but was not clever enough for the hard hitting Merkel.

Charles Shirk of Fostoria, 125, was having a close fight with Johnny Gray of Bucyrus, 128, until Gray twisted his ankle in the second round and was forced to give

CREAVY HOLDS POST IN P. G. A. TOURNEY

Defending Champ Stages Comeback To Beat Johnny Perelli.

BY THE ASSOCIATED PRESS
ST. PAUL, Minn., Sept. 2.—The turbulent struggle for the National Professional Golf championship bowed over the quarter final tournament today with the defending champion, a trio of noted contenders and a brigade of dark-horses fighting on.

Tom Creavy, of Albany, N. Y., was in the big trap after a great comeback in his second round match against Johnny Perelli, San Francisco putting genius, and with him were such stars of the professional world as Olin Dutta of Santa Monica, Calif., McElduff of Wilmington, Del., and Wes Budge of Chubbuck, N. H.

Frank W. Johnson of Chicago, a well known mackinaw, was there, too, but was edged among the long shots because of his absence from strenuous competition, grouped with him in the field of outside chances were Herman Barron of West Chester, N. Y., Al Collins of Kansas City, who folded Johnny Golden of Detroit, Conn., in yesterday's classic upset, and Ralph Stonehouse of Indianapolis.

BRITISH CUP STARS ROUTED IN MATCHES WITH YANK PLAYERS

Americans Sweep Walker Trophy Competition; Need Only Three More Points.

BY THE ASSOCIATED PRESS
BROOKLINE, Mass., Sept. 2.—The well-blended American Walker cup team backed early today but three points for its seventh consecutive victory over Great Britain's greatest amateur golfers.

The Britons, who have not been successful in this international play since it was inaugurated in 1922, suffered their most humiliating setback of the series in yesterday's 9-hole Scotch foursome.

Although Francis Ouimet, national amateur champion and team captain, was experimenting with a new blood, he and his men completely routed the challengers.

George Voigt and Jess Sweetser, the lead-off pair, dropped the Hartley brothers, Rex and Lister, 7 and 6, and Ouimet, who combined with young George T. Dunlap, Jr. of New York, was equally effective against John Stout and John Burke, the long-hitting Anglo-Irish pair.

Even the outstanding British combination of Captain Tony Torrance and John DeForest, the current British champion, were swept back by the team made by the American foursome, Gun Moreland of Dallas and Charley Weaver of Los Angeles, for a 5 and 5 victory.

The closest shave the American team received was the 5 and 4 victory turned in by Dan Moe of Portland Ore., and Billy Howell of Richmond over Eric McRae, and Eric Middleton. Hopelessly beaten early in the afternoon round, the Brits won five out of six holes to prolong the match until the 22nd hole.

JOHNNY RISCO BEATS KINGFISH LEVINSKY

Veteran Heavyweight Uses Experience in Pounding Out Decision.

CLEVELAND, O., Sept. 2.—Johnny Risko, slugging Cleveland boxer, rode high, wide and handsome along the stiff comeback trail today.

The veteran of the heavyweight division last night added the scalp of youthful King Levinsky to his belt. Risko took a decision from the same Levinsky at Boston last year.

The 30-year-old Risko pitted his craft and ring experience to win the decision over the youthful former Chicago fish peddler. Referee Al Brock himself thought Levinsky won, but two judges decided in favor of the Clevelander.

It was Risko's stalling left hand and his steady attack on Levinsky's mid-section that helped the willing Kingfish in his stride. The fight was generally slow and marked by much clinching.

The victory placed Risko in line for a shot at Max Baer and a chance at the title held by Jack Sharkey.

TITLE IN JUNIOR LEAGUE AT STAKE

While the Senior league teams are resting in preparation for the continuing next week of their struggle for the elite diamond championship, two intermediate league teams will be battling today for a junior title.

The Central Christians and Trinity Baptists will clash at the Steam Shovel athletic field for the championship of the No. 1 intermediate league contest. Next week the winner of today's battle will meet the winner of the No. 2 league for the city intermediate crown. A definite date has not been set for the latter game.

MARION GROUP TO PLAY LIMA MONDAY

The Marion Merchants Grays baseball team will cross bats on Labor day at the Shovel athletic field with the Lima Grays, another colored team. This is the first time the Marion club which has compiled a good record this season, has ever met another colored team. The Grays have been playing all their games against independent teams in the area immediately surrounding Marion.

The Marion merchants, who are backing the team have been issued a special invitation by Harry Adams, team manager, to attend the game.

WHEAT PRICES CLOSE HIGHER

Values Fluctuate Uncertainly Before Two-Day Holiday

By The Associated Press
CHICAGO, Sept. 2.—Wheat prices fluctuated erratically today within a range of about one cent, but the average closing prices were higher. Strength of stocks had considerable influence on wheat. Scattered liquidation of the September delivery was noted early, but this was absorbed by cash houses. Traders showed little disposition to commit themselves too deeply since Monday is a holiday. Corn generally followed wheat. Data were quiet. Provisions were somewhat unsettled, reacting with hogs after an initial gain.

Liquidations developed in the September delivery of wheat again today, mostly on the part of traders taking positions, and prices moved fractionally lower. Other deliveries were firmer. Cash handlers and millers took most of the September wheat offers.

The Liverpool market was firm, chiefly because of small shipments last week from the southern hemisphere. Argentine exports were only 575,000 bushels, compared with 1,240,000 bushels the week previous and 1,905,000 a year ago.

Australian exports were little changed at 820,000 bushels last week, compared with 2,032,000 at this time in 1933. Early contract deliveries of wheat were 638,000. Corn and oats were steady.

COUNTY BAND WINS HONOR

Future Farmers Take Second Place in Parade at Elks' Convention

Marion county's Future Farmers of America band was awarded second honors in the parade which was a feature of the closing session of the thirty-fourth annual convention of the Ohio Elks' association yesterday at Cedar Point. The band headed the marching delegation of Marion Elks.

Marion is in line for the 1934 spring meeting it was reported today. A warm invitation was extended to the members for this time by C. A. Klunk, chairman of the convention committee of the Marion Chamber of Commerce, Congressman Grant E. Mouser, Cecil R. Leavens and T. A. O'Leary, representatives of the lodge.

Marion's representation in the parade was the largest in a number of years, a tribute to the wishes of the late Judge Charles L. Justice, a member of Marion lodge, and former president of the association. Judge Justice requested last year that the lodge have a large delegation this year in appreciation of courtesies shown by the state association.

Occupying a place of honor in the line-up of the Marion delegation was A. W. Bryant and B. P. Waples, charter members of the lodge, James Wark, who has served as chairman of the lodge for 34 years and Mayor W. C. Phillips, a lodge trustee. A number of members of the Antlers club also marched with the delegation.

Vault Co. Employee Stricken Suddenly

Heart Attack While at Work
Fatal to William Henry Horch.

William Henry Horch, 60, dropped dead this morning at the Marion Vault Mfg. Co. where he was employed.

Mr. Horch left his home at 360 Main street this morning, apparently in better health than for several months, friends said, and arrived at his work as usual at the vault company at 8. He began his duties for the day, and an hour later an employee found him lying on the floor, scarcely breathing. He died before medical aid reached him.

Coroner Kenneth D. Smith said that death was due to a heart attack. Mr. Horch was a blacksmith at the Marion Steam Shovel Co. for 15 years.

A year ago his wife preceded him in death. He leaves a number of

brothers and sisters living in Columbus and vicinity. He was a member of Aerie No. 297, F. O. E. of Columbus and of the Lutheran church.

Plans for the funeral have not been made. The body will remain at the E. J. Curtis Co. mortuary on East Center street until arrangements are completed.

PUPILS URGED TO BUY BOOKS EARLY

Superintendent Reports Grati-fying Response to Plea for Prompt Start.

Pupils of the elementary and high schools have responded gratifyingly to the urge that they purchase textbooks before the opening of school Monday, Sept. 12. Supt. George A. Bowman said yesterday.

He pointed out that the children are supplied with the necessary books and supplies before school opens.

Such cooperation will enable the pupils to start their studies promptly at the beginning of school and will assure them of getting the most possible good of the coming school year, which, with almost certainty will be shortened, he explained.

The textbooks were placed on sale Monday at Harding High school, and will be on sale daily until school opens.

Students may purchase books from 8 to 11:30 a. m. and from 1 to 4:30 p. m. Those parents who are buying used books for their children have been asked to consult the approved list published in Monday night's edition of The Star.

and to make their purchases before school opens.

The buying and selling of textbooks after school opens, will create considerable confusion in the school routine, and will slow up to a great degree, the prompt starting of classes.
